

The IDs ask you to:

- a. Identify and
- b. State the significance of the terms

For each term, define and state the significance.

For each term the definition should include answers to: Who, What , Where, and When. After the definition, state the significance of the term. Answer the questions “Why is this term important/ Who is affected by it?/ Why do we need to know about it?”

Sample: The Knesset

The Israeli parliament, located in West Jerusalem. The Knesset is responsible for passing laws in Israel and is a symbol of the Israeli government. Its location in West Jerusalem is one source of conflict over control of the city because its location in the city of Jerusalem supports the Israeli government’s claim that Jerusalem is the capital of Israel.
